

Standard displays

In need of a standard solution?

Build a tower, a wall, a zig zag wall or even our demo standard display.
You decide the size of your display - It's easy like toys!

Exhibitions

Exhibit your own way!

Our various sizes in modules gives you endless possibilities to build an exhibition that fits your needs.

Re-useable - Easy to build - Requires no tools

Events

Our truss system is very usefull for events, such as sport competitions and product events - small or large.

The possibilities are endless!
